I

THE PHILOSOPHY OF MASERATI is to produce cars capable of transmitting unique emotions, combining race-bred technology and handmade quality. Headquartered in Modena, Italy, the Italian passion for beauty shines through with each car Maserati engineers. Maserati's long history of building exclusive luxury cars has helped build the reputation it holds today; renowned around the world for its quality craftsmanship in accordance with some of the most advanced technologies worldwide. Maserati's confidence in each of its vehicles allows them to extend this offer to Maserati customers by introducing the Maserati Trident Discoveries Certified Pre-Owned Program.

DISCOVER THE WORLD OF MASERATI

The Maserati Certified Pre-Owned Program exclusively certifies each Maserati sold under this program. By offering the same kind of assistance normally reserved for new cars, a Pre-Owned Maserati must satisfy a range of strict specifications in order to become certified. Cars holding this certification are held to the highest Maserati standards and are provided with this coverage for up to one year, and up to a total of 90,000 vehicle miles (whichever occurs first). The Certified Pre-Owned Program is a way for customers to purchase a previously owned Maserati while being assured the vehicle has met Maserati's specific criteria.¹⁾

¹⁾ The Certified Pre-Owned Program is not currently available in the State of Florida.

2. CERTIFIED PRE-OWNED PROGRAM

THE BEST MASERATI CARS

Each Maserati qualifying for the Certified Pre-Owned Program must be a Maserati model no more than five years old and with less than 90,000 miles. The Certified Pre-Owned Program certifies that the vehicle has passed all Maserati Service inspections, that the exterior and interior of the vehicle are in superb condition, and that the functionality of the vehicle is not compromised in any way.

THE MASERATI CERTIFIED PRE-OWNED PROGRAM CERTIFIES:

- the vehicle's mileage;
- that the vehicle has passed 120 technical checks, designed to help ensure reliability to the customer;
- that the vehicle has been inspected and can ensure a fully functional powertrain and suspension, as well as the inspection of the interior and exterior of the vehicle;
- that the vehicle has all the scheduled maintenance services specified by Maserati and completed by an authorized Maserati dealer;
- that the vehicle has not been involved in any serious accidents and has not been tampered with;
- that the vehicle has not been involved in motor-sport activities.

VALIDITY AND BENEFITS

The benefits of the Pre-Owned vehicle program are valid during the coverage period up to a maximum of 90,000 total vehicle miles (as shown on the vehicle's odometer). The program's coverage is also transferable to a new owner in the event that the vehicle is resold. Confident in the highest quality of its Certified Pre-Owned vehicles, Maserati North America offers Road Side Assistance; which is included with purchase of a Certified Pre-Owned vehicle. See your authorized Maserati dealer for complete details.

ROADSIDE ASSISTANCE

All Certified Pre-Owned vehicles sold in the United States and Canada will have Road Side Assistance available 24/7 toll-free at 1-888-371-1802 during the Pre-Owned Program's coverage period. This service provides transportation of the vehicle to the nearest authorized Maserati dealership if the car cannot be made roadworthy by the responding technician. In the event that overnight repairs are necessary, limited rental reimbursement and travel assistance may also be provided through the program. Ask your local authorized Maserati dealer for information. A detailed handbook on the Maserati Road Side Assistance Program and its conditions in their entirety will be provided with each Certified Pre-Owned vehicle purchased.

3. CERTIFIED PRE-OWNED VEHICLES

The Pre-Owned Maserati vehicles qualifying for this program are: the Coupé, Spyder, GranSport, GranSport Spyder, and the Quattroporte (Standard, Executive GT and Sport GT models).

COUPÉ

Continuing Maserati's long tradition of front-engine, rear-wheel-drive gran turismo automobiles, the Coupé is designed to maximize performance while seating four comfortably. The Coupé's interior is as magnificent as its sporty performance embodying the craftsmanship and exclusivity for which Maserati is famous.

SPYDER

The performance inspired Spyder exudes sportiness in every aspect of its design; from the V8 4.2 liter engine and 390 horsepower to the open-air convertible top and racy colors like Giallo Granturismo.

GRANSPORT

The ultimate sports car, this high performance version of the Coupé is technologically advanced, aerodynamically mastered with lower and lip spoilers to help maximize airflow, and finished with a carbon fiber interior.

GRANSPORT SPYDER

The GranSport Spyder combines the performance of the GranSport Coupé with the open-air driving pleasure of the Spyder convertible for a truly exhilarating driving experience.

QUATTROPORTE

The great Italian flagship sedan. Available in the Quattroporte, the Quattroporte Executive GT, and the Quattroporte Sport GT, this car achieves the perfect balance between performance and luxury.
